## IS THE TIME

To Turn Over A New Leaf  
And Buy Your Hardware Here

We buy merchandise in larger quantities than any other store in this community. So we get it for less money.

As we manage our store on the most economical basis, we take the least possible profit on each article we sell. That's why you save money in buying here—whether it's a stove or an egg-beater. And our quality is of the very highest grade.

Make a resolve now to make us a visit.

LIGHTNING  
RHEUMATIC REMEDY

has made hundreds of sufferers from rheumatism happy, and we claim it to be the most effective remedy ever offered to those who suffer the tortures of rheumatism. It rarely fails to give the long desired relief and what ever you have tried, give this simple and effective remedy a trial before you waste money to no good purpose on so-called "cures."

No excuse for you to suffer longer; one box will convince you of the truth of this statement. We don't ask you to take our word for it. Send us your name and address, with ten cents to cover mailing expenses, for trial treatment and decide for yourself as to whether the remedy is beneficial to you or not. It is TRUSTWORTHY in every sense of the word. Make us show you.

\$1.00 per box; six boxes for \$5.00

## STOMACH UPSET?

Get At the Real Cause—Take  
Dr. Edwards' Olive Tablets

That's what thousands of stomach sufferers are doing now. Instead of taking tonics, or trying to patch up a poor digestion, they are attacking the real cause of the ailment—clogged liver and disordered bowels.

Dr. Edwards' Olive Tablets arouse the liver in a soothing, healing way. When the liver and bowels are performing their natural functions, away goes indigestion and stomach troubles.

If you have a bad taste in your mouth, tongue coated, appetite poor, lary, dizziness, care feeling, no ambition or energy, troubled with undigested food, you should take Olive Tablets, the substitute for cod liver oil.

Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil. You will know them by their olive color. They do the work without griping, cramps or pain.

Take one or two at bedtime for quick relief, so you can eat what you like. At 10c and 25c per box. All druggists.

The Olive Tablet Company, Columbus, O.

## CLARK SCHOOL.

Miss Oriana Bailey put on the January calendar, a snow landscape scene. The best grade in the 8th grade arithmetic was made by George Baum 94 per cent.

The debate last Friday was Revolved. "That fire has done more damage to this country than water." It was decided in favor of the negative by one vote majority.

Among the visitors for the last few days were: County Superintendent, C. J. Biery; Board Members, D. W. Williams, Bert Poorman and Chas. Shadle; Miss Helen Brigham who helped in our primary reading class, Miss Bertha Metcalf, Walter Blair and Mrs. Morton.

Since we have decided to leave the stove in the present condition we have re-arranged the seats.

## Cough Medicine for Children.

Never give a child a cough medicine that contains opium in any form. When opium is given other and more serious diseases may follow. Long experience has demonstrated that there is no better or safer medicine for coughs, colds and croup in children than Chamberlain's Cough Remedy. It is equally valuable for adults. Try it. It contains no opium or other harmful drug. For sale by all dealers.

## TEDROW TOPICS.

Misses Edna Funk, May Pike and Anna Huyck attended the Teachers Institute at Delta Saturday.

Mrs. Heckman of Canton, Ohio, is the guest of her mother, Mrs. Olmstead.

Mr. and Mrs. Eliza Funk of Wauseon were Sunday guests of S. A. Stevens and wife.

Mrs. Asa Borton is recovering slowly from her illness.

Mrs. Mary Dennis is suffering from a stroke of paralysis. Her children are all at her bedside.

The members of the Christian church will hold a novelty social at the W. C. T. U. Hall Friday evening, January 22. There will be good music. Everybody is welcome.

Mr. Hofer and family have moved into the Ernest Shaffer's property.

Key Turner of Oak Shade is caring for the telephone lines at present.

## THE DOWELL SCHOOL.

Four Dowell pupils made the following enviable record for the half year just ended. They are Nola Taylor, Herma Rupp, and Ethel Van Ness. Their record consists of a row of hundreds that stretch in the grade book from the first day of school to the last day of the old year without a hitch. The class is written spelling.

This class is pretty good proof that good attendance and good grades go hand in hand.

Those perfect in attendance for the month are: Ada Waldvogel, Ethel Van Ness, Nola Taylor, Cora Rupp, Dorothy Rupp, Lora Fauer, Herma Rupp, Eldon Rupp, Estell Mohr, Olen Rupp, Arthur Rupp, Loren Rupp, Emory Rupp, Raymond Rupp and Elmer Leupp.

New officers elected for the month are Estell Mohr, mail clerk; Elmer Leupp, Chief of Police; Olen Rupp, policeman.

Last month the officers were all girls. This month they are all boys. The boys declare that no girl officer be elected.

The mail clerks report shows that eighty-nine pieces of mail were received and that seventy-seven were sent. Eleven of the pieces sent were parcel post packages. Thirty-five one cent stamps were purchased. We sent an ear of "primitive corn" to the boys and girls of Monrovia, Ohio, to show in their "Corn Show." We have since learned that they won "First Prize." They have organized their school on the same plan as ours and a letter from the secretary of the school assures us that it is proving a success.

The idea of the "School Mail Box" pleased a certain District superintendent so much that one township in Lucas county has made it a part of their regular equipment and make the boast that it is the first case of the kind in the state.

We extend the "Glad Hand" to the Stites School, and congratulate the Clark School on their success.

The outlook for the country boy and girl begins to look brighter.
